Training/Practical Sessions

The club plans to run monthly Thursday evening meetings when members can bring along digital or printed images for those present to discuss.

In addition if there is a demand for an evening on any particular subject, we shall try to set something up. This might cover :-

- Taking a photograph e.g. seeing a picture, composition, technical aspects of a camera.
- Processing a photograph e.g. Photoshop techniques.
- Preparing an image for a competition.
- Preparing audio-visual sequences using PicturesToExe

Dates will be announced at club meetings and by email.

Members are invited to contribute ideas to any member of the programme sub committee.

The club also runs regular outings, sometimes mid week and sometimes at the weekend. These have both a photographic and a social character. Ideas on places to visit are welcomed by the Social Secretary.
